

ECO Group Minutes

October 27.10.16

| ECO Audit | | |
|--|--|--|
| <p>The feedback from the Audit was as follows:</p> <ul style="list-style-type: none"> • Need to continue to encourage teachers to close their blinds at night to conserve energy. • Keep encouraging teacher to turn off lights at the end of the day. • Need to produce a graph with our yearly meter readings. • We need to record water usage again. • We need to complete an audit about food and in the environment that we didn't get finished last year. • We could learn more about what types of food people eat around the world. • We need more Eco Meetings • Happy with Eco week • We raise awareness of eco issues • We are pleased with our allotment • We are pleased with our general recycling • We could look at which foods are better for the planet. • We may need to revisit healthy packed lunches. • We could review the litter policy. • Perhaps the JRSO could produce a traffic survey. <p>The Eco group went through the audit and categorised it into traffic lights. Mrs Houston used the traffic lights to make two lists; things we are doing well and things we need to improve on. She then used this information to make up the list of things we need to do for each of the Eco targets. This information will then be made into the Eco Plan.</p> | | |
| <u>Actions/Next Steps</u> | By Whom | By When |
| <ul style="list-style-type: none"> • We will add these ideas to the two lists above. | Mrs Houston | Today |
| Garden Competitions | | |
| <ul style="list-style-type: none"> • Bulb Competition – ideas - Pots, cups, socks, pipes, toilet tubes, cereal boxes, cans and plastic bottles. | | |
