

Airyhall School Vision and Values

Our Vision: To enable children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors who will make a positive contribution to the world.

Our Values: Together we will continue to develop a learning environment and school community-

Where children become increasingly aware of their learning style as they transition through our school.

Which develop Higher Order Thinking Skills in children.

Which creates a wealth of opportunities for children to learn from and through.

Which enables high quality teaching and learning to take place.

Encourages children to identify and reflect on their learning, identify next steps and apply their learning to other situations.

Which instils in children the joy of learning to enable them to become lifelong learners.

Which encourages all staff to develop professionally.

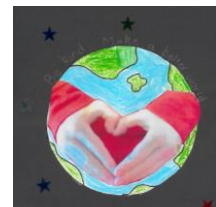

Where children, staff and members of the school community are treated fairly and understand the importance and need for respect and manners.

Which encourages meaningful partnerships with parents/carers and the local community.

Which teaches children about sustainability, the importance of their place in the world and how they can influence change.

Which teaches children about how they can help those less fortunate by being informed and active in doing so.

Which has the resources and knowledge required to effectively deliver a curriculum for the 21st Century.

Which is inclusive and meets the needs of all learners.

Which encourages and fosters self-motivation in pupils.

Where children lead the learning, have a voice and are actively encouraged to make a valued contribution to the learning and opportunities which take place in their school.

Which celebrates achievement both in and out of school.

Where everyone in our school community are proud to members of Airyhall Primary School.
